

# FANDANGO

BAVARIA CRUISER 42

PRESENTED BY  
**EZIYACHT**

# BACKGROUND

*Bavaria Yachts are amongst the most popular and respected production yachts in the 40ft sector. With sleek lines, and robust handling qualities, the Cruiser 42 is a well balanced, practical yacht built for comfortable sailing. With well appointed accomodation, a quality timber finish, this yacht is suitable for families, and easy enough to sail in most conditions. The Bavaria 42 is ideal for blue-water cruising, offering exceptional helm sensations in a 42-foot monohull.*

There are so many great features about this yacht. She has been set up to accomodate a family of four as a live aboard cruiser. Key considerations were comfort, practical functionality and above all safety.

*Fandango* has undergone significant upgrades since 2020 which include upgraded Raymarine instruments, chart plotter and autopilot, and a new dinghy and davits. She is completely fit out for live aboard cruising and capable of living off grid for significant periods of time.

Cruising gear includes an efficient water maker which runs with the power of the solar system, new solar charging system and inverter, new anchoring equipment, new sails, rigging and the list goes on.

Additional power systems include upgraded lithium batteries, 6 x solar panels, with new Victron inverter and charger supplying the yacht with 1200watts of auxiliary power. She is fitted with Radar and AIS; each of which can be displayed on either the cockpit chart plotter or chart table (tablet) devices.

*Fandango's* rigging was replaced in 2019, and she was more recently fitted with new sails and running rigging and her furler was serviced in 2023. She has been fitted with a new Excel anchor with 80m of chain.

*Fandango's* 'tech-savvy' owners have enjoyed cruising the East Coast of Australia with their growing girls for the past three years who are now off to school on dry land.

# On Deck

*Fandango has sleek lines, an open transom with sugar scoop stern and a flush foredeck and bow. The anchor locker is strategically placed aft of windlass which is positioned under the deck. This allows for a very clutter free bow – with plenty of room to sunbake or deploy a spinnaker without the risk of catching lazy lines.*

## UNDER SAIL

*Fandango is simple to sail short handed without the need to leave the cockpit. All lines and mainsheet run to clearly labelled clutches and self tailing winches under the dodger. Fandango is relatively easy to sail thanks to a self-furling headsail, twin helms, remote controlled windlass and aids to navigation. She can also be reefed from the cockpit and jacklines are fitted for night time and offshore sailing. With a 2.1m keel, spade ruder and folding prop she will comfortably make 7kts cruise speed on passage.*

## COCKPIT LAYOUT

The steering console comprises a pivoting Raymarine 12" chart plotter, light switches, auto pilot controls, and VHF repeater. Multi-funcion displays for wind, depth and speed are mounted on the beautiful teak folding table which features unique colour-changing LED strip lighting. These lights can be controlled from your phone to light up the cockpit transom on approach by night.

Other great features include full shade covers, a gas BBQ, easy walkthrough access to and from the water/dock for easy boarding and transom swim platform and shower.

## HIGHLIGHTS & FEATURES

- Twin wheel steering with Raymarine autopilot
- New Excel anchor and 80m of chain - (2021)
- Volvo Penta 55hp - serviced annually (1266 hrs)
- New Watermaker (2021) makes 160lph

- Standing rigging 2019. Running rigging 21-23.
- Coastmaster Liferaft 6pax

# Interior

*An inviting, spacious and functional interior awaits. This is where Bavaria come into their own. The homely saloon has a large family dining table with wrap around seating and well laid out accommodation for the whole family. Overhead hatches offer light and ventilation with great headroom.*

## ACCOMODATION

There are three generous double cabins on *Fandango*, each with ample storage, opening ports and fans. The master cabin is fitted with a double island bed, a hatch above for light and air, Caframo fan and ensuite head. A second head with separate shower is shared by the two double cabins aft, each also fitted with wardrobe storage, opening ports and fans. All beds are fitted with mattress toppers for added comfort.

## THE GALLEY

The in-line galley is fitted with a water filter tap, microwave, 2-burner stove with oven and two independent fridges (one with freezer space). Additional food storage is available under the island seat which is easily lowered/raised thanks to a gas strut. Hot water at anchor is also a luxurious commodity thanks to the surplus supply of power available on board.

## NAVIGATION

A full suite of Raymarine instruments which include a hybrid touchscreen 12" GPS plotter, autopilot controls and 3 x i70 instrument panels are fitted to the cockpit table and navigation pod. Another i-70 display is fitted at the chart table. Below decks there is provision for an additional tablet device to serve as a repeater (slave) thanks to the Raymarine's in-built Wi-Fi connectivity. There are multiple usb charging ports fitted here. *Fandango* is equipped with Radar and AIS; each of which can be displayed on either cockpit or chart table devices. A new Raymarine VHF radio is fitted below with a repeater at the helm pedestal, while Plastimo compasses and a Raymarine autopilot course computer completes the suite of state-of-the-art aids to navigation.

# She could be YOURS ...

*You simply cannot go wrong with the Bavaria Cruiser 42. They are popular because they have been well built with lots of performance although easy to sail and manoeuvre. With nice lines, a comfortable and functional interior this yacht design has proven longevity far above and beyond other production yachts of this size; a testament to the German craftsmanship.*

*'Fandango' is in superb condition thanks to her current owner's devotion to maintenance and upgrades to make her safe, comfortable and homely. It would be hard to find a better offering in a similar model of cruising yacht. With an array of state of the art cruising equipment and creature comforts, simply step on board and sailaway.*

*If you're looking for a reliable and safe cruising yacht in tip-top condition with all the extras and nothing further to attend to, then 'Fandango' is your yacht. Everything you need to live 'off the hook' has been catered for in this well rounded, reputable cruising yacht. She would be best suited to a family or couple looking for a great 'hop on and sail off' cruiser capable of longterm voyaging.
