

NEREUS

BAVARIA 35 - PERFORMANCE CRUISER

BACKGROUND

This beautifully maintained 1999 Bavaria 35 Owner's Version offers a rare combination of classic German build quality, modern upgrades, and the comfort of a spacious two-cabin "luxury" interior. Ideal for a couple or small family, she's set up for safe, comfortable coastal cruising, with all the big-ticket maintenance already done.

Nereus has been a much loved family cruising yacht and is in turnkey condition with just three owners. She has proven her capabilities as a yacht, sailing from Europe to Australia with her original owner.

Nereus was repowered in 2022 (Volvo 29hp with sail drive) and had a new folding propeller fitted in 2025. All major electrical wiring and power systems including new navigation instrumentation and auto pilot were professionally upgraded in 2019. The standing rigging along with several other upgrades was replaced in 2022.

All major mechanical and electrical systems have been upgraded which takes enormous stress out of the equation when coastal cruising.

Nereus offers a contemporary 2-cabin interior layout with large double forward and extra large double cabin aft. This is complemented by a large head with shower, pet-friendly access with wide a companionway and sugar scoop stern.

The cockpit is well organised with lines running neatly to the companionway and stowed in tidy rope bags for a minimal look when at rest. A varnished cockpit table can be fitted when required to the steering console - which features Raymarine aids to navigation including chart plotter, autopilot and option to attach an ipad if desired.

Fresh antifoul ensures a clean underwater profile for faster, smoother sailing, while the well-maintained interior with L-shaped galley feels modern, airy, and ready to enjoy.

On Deck

Nereus has been designed for both performance and ease of handling, making her an ideal choice whether sailing short-handed or with family and friends. Her clean deck layout with traveller forward of the dodger and thoughtfully placed fittings make her both practical under sail and comfortable at rest.

The sugar-scoop stern with swim platform and stainless steel boarding ladder provide easy access to and from the dinghy or when swimming at anchor.

UNDER SAIL

Nereus is easily handled short-handed with furling headsail, and double-reefed main with in-line reefing and roller cars. The foredeck is clear and easy to move around, with wide side decks and sturdy stainless lifelines for safe access forward. Nereus easily makes 8kts on a reach under full sail in a breeze of 15kts. She is also fitted with a spinnaker and pole for cruising off the wind.

COCKPIT LAYOUT

The cockpit is spacious and well-organized for solo sailing with control lines leading aft, ensuring safe and convenient handling from the cockpit. A removable varnished table offers a warm, traditional touch and creates a welcoming space for alfresco dining or relaxing with guests. A large cockpit locker reveals storage for several fenders, mooring lines and other cruising essentials keeping the deck tidy and uncluttered. At the helm, the steering console is equipped with a Raymarine chart plotter, multi-function display, and autopilot controls, placing navigation and sailing functions right at your fingertips.

HIGHLIGHTS & FEATURES

- Fibreglass construction with teak lined cockpit and sugar scoop stern
- Volvo 29hp w/ sail drive (2022) with new folding prop (2025)
- Standing and Running Rigging replaced (2022)
- Raymarine Touch Chart plotter and mfd (2019)
- Raymarine 'Evolution' Hydraulic auto pilot (2019)
- Battened mainsail, furling Genoa (2019) and Spinnaker
- Beautifully maintained, light and airy 2-cabin interior
- Recently upgraded AGM batteries and solar panel
- Upgraded wiring and LED lighting throughout interior (2019)
- GCOM VHF Radio, TV and Bluetooth stereo (2019)
- New cockpit clears - Jun 2025
- Antifouled / Polished with propseed - Jun 2025.

Interior

Nereus' interior is bright, modern and thoughtfully upgraded for comfort and convenience. With warm timber finishes and light-filled spaces the saloon feels fresh and inviting. Upgraded LED touch on/off lighting enhances the contemporary feel, complemented by overhead hatches with block-out blinds and curtains for privacy.

This Owner's version offers light cream upholstery, a lovely dining table with centrepiece bottle storage (bar), and a separate glassware cabinet. Several other practical considerations include a wide pet-friendly companionway and excellent access to the engine on three sides.

ACCOMMODATION

Both fore and aft cabins are generous in size, offering drawers and hanging lockers for extended cruising. A large single head with hot/cold shower provides practicality and space with separate wet locker storage.

Both cabins feature upgraded LED lighting, cabinet storage and opening ports for ventilation. Two single saloon settee berths provide additional accommodation for extra guests or when on passage. A TV and bluetooth stereo add extra 'home comforts' for longer stays on board while upgraded batteries with solar charging ensure reliable power is available..

GALLEY

The L-shaped forward-facing galley comprises a 2-burner stove and oven with ample lockers, drawers, and under-counter storage. Twin s/s sinks with pressurised hot/cold water, multipurpose bench tops and a deep top-loading fridge provide all the essential commodities for 'home cooking' and meal prep. All through-hull fittings are well placed for your convenience.

NAVIGATION

The chart table positioned below the companionway to starboard provides a nice work area with USB-A and USB-C charging ports. A GME VHF radio, bluetooth stereo and new circuit board with independent inverter are boosted by upgraded solar panel, regulator, wiring, and batteries. A GPS plotter and autopilot controls are fitted at the helm.

She could be YOURS ...

Nereus is a very well maintained and equipped Bavaria 35ft performance cruiser that combines a simple sailing set up with a contemporary and spacious interior. Several very recent 'big-ticket' upgrades (new engine and sail drive, electrics, rigging, autopilot, navigation systems, a folding prop) make her truly 'turn-key'.

Nereus promises safe and exciting short-handed cruising with excellent storage above and below deck. Well above her average counterparts, she should be compared with newer and larger yachts with similar layouts - but that lack extensive upgrades.

Fresh antifoul ensures a clean underwater profile for faster, smoother sailing, while her well-maintained interior feels modern, airy, and ready to enjoy. With peace of mind knowing the big jobs have already been attended to, Nereus offers new owners several years of fun-filled and hassle free cruising.

If you're looking for solid performance paired with a tidy, comfortable interior, Nereus is the ideal choice for you and your family.
